

# Northern NJ SBS User Group

Sussex & Western Passic, NJ / Orange & Rockland, NY

*An Association of IT Professionals  
dedicated to sharing knowledge  
about the IT requirements of small business*

The Northern NJ SBS User Group is forming and looking for members.

If you meet any of the following please  
contact us @ ***NorthernNJsbbs@hibbeln.net***

- 1) Someone who plays well with others.
- 2) Someone who has lots of contacts.
- 3) Someone who wants to learn.
- 4) Someone who has a lot to teach/share.
- 5) Someone whose spouse/children won't be hurt by his/her absence from home.
- 6) Someone with a big, real big, expense account.
- 7) Someone who has or owns or sleeps with one of Harry's books.
- 8) Someone willing to share their toys with the other kids in the sandbox!
- 9) Someone with more than just technical knowledge, with small business savvy.
- 10) Someone transitioning from Sys Admin to Independent SBS'er.

---

The Northern NJ SBS User Group has the following activities in the works, if you are interested please contact us @ ***NorthernNJsbbs@hibbeln.net***.

2) A virtual distance learning course for the Microsoft Official Curriculum (MOC) course #2395 Designing, Deploying, and Managing a Network Solution for the Small and Medium-sized Business. Includes workbook, VMware and live sessions with other SBS'ers. *The test grants elective credit for MSCE certification.*

2) A weekend class in the basic of computer forensics and hand-on use of specialized software. Taught by a former Federal IRS Agent. A set of the command line tools will be included.
